### **3. New Event: 4x50m mixed butterfly relay (all details will be provided in the team leader meeting)**

One of our founding members has contacted us last week and offered to sponsor a new event: 4x50m butterfly mixed relay. He will offer a prize money of 400€ in cash and an exclusive designed cup (value of 600€) to the winner of this relay. There will be only 1 heat of the 4x50 butterfly mixed relay, and 5 teams can qualify for that relay as follow:

- Qualification is based on the results of the individual 50m and 100m butterfly men and women
- The highest World Aquatics point performances achieved by the best 2 women and 2 men per club in either the 50m butterfly or the 100m butterfly are summed up and the 5 top teams will qualify for the 4x50m butterfly mixed relay.
- The 4x50m butterfly mixed relay will take place at the end of session 3 after the 4x50m medley mixed relay.
- In order to offer a fair chance for all teams to qualify for this new butterfly relay, we allow each team to enter additional swimmers to the 50m and 100m butterfly events to increase their chances to qualify for this new event.
- Please submit additional entries for the 50m and 100m butterfly events by Friday @ 17h at the latest.
